The board of Veteranentreffen Oostende VZW invites you to their 42nd International Veteranentreffen.

This yearly event, with about 250 participants, has become one of the biggest Belgian gatherings for old motorcycles.

Only bikes built **before 1975** are admitted.

On Sunday we have a circuit of about 130 km into the countryside of West- and East-Flanders.

Our first stop is in AALTER-BRUG for the lunch and in the afternoon we go for a roundabout in "het Meetjesland".

We organize a second stop and afterwards we continue our trip to the city of Oudenburg where we are invited by the town authorities for the 27th time.
